

FUNDAMENTAL FOOTBALL CAMP

From the Director... The Fundamental Football Camp is designed to teach young players the fundamentals of football; blocking, tackling and ball control. The instructors will be some of the most talented players to have played at LSU, all of which continued their careers in the NFL. Every camper that participates in the Fundamental Football Camp will have a great experience, knowing that each coach gave his best to teach, guide and motivate them. Ultimately hoping that every camper walks away with the understanding they are to be the best they can be at everything they do, not just in football, but in life, because it honors God to use the talent He's blessed them with to the fullest. We look forward to seeing you and coaching you this summer at the Fundamental Football Camp.
